

Tulsa Police Department

This policy statement and the procedures thereunder are intended for Police Department use only. The policies, procedures, and regulations are for internal Police Department administrative purposes and are not intended to create any higher legal standard of care or liability in an evidentiary sense than is created by law. Violations of internal Police Department policies, procedures, regulations, or rules form the basis for disciplinary action by the Police Department. Violations of law form the basis for civil and/or criminal sanctions to be determined in a proper judicial setting, not through the administrative procedures of the Police Department.

Policy # 302B Attachment

Effective Date 01/31/2017

Policy Name Line of Duty Injury Reporting/Leave – Attachment

Approved Date 01/31/2017

Approved by *Wendell Franklin, Chief of Police*

Previous Date 10/04/1999

During normal business hours, supervisors will send an injured officer in need of medical treatment to the City Physician. City Medical is currently located at:

The City Physician may refer an officer to another physician, clinic, or hospital if an injury requires treatment beyond their capabilities.

City Medical's normal business hours are Monday through Thursday – 7 a.m. to 4 p.m., Friday – 7 a.m. to 2 p.m., and closed for lunch daily, noon to 1 p.m. For patient appointments, call [REDACTED] between 0730 to 1200 hours and 1300 to 1600 hours.

All City of Tulsa injured employees who need after- hours emergency or urgent care need to report to the Hillcrest Medical Center emergency room for treatment located at:

In a critical emergency or a life-threatening situation, transport the officer to the nearest emergency medical facility and notify the City Physician on the next business day.

Employees receiving hospital bills for work related treatment should send those bills to the Worker's Compensation Adjuster.

The City of Tulsa Injury Reporting phone number is [REDACTED]
