

Tulsa Police Department

This policy statement and the procedures thereunder are intended for Police Department use only. The policies, procedures, and regulations are for internal Police Department administrative purposes and are not intended to create any higher legal standard of care or liability in an evidentiary sense than is created by law. Violations of internal Police Department policies, procedures, regulations, or rules form the basis for disciplinary action by the Police Department. Violations of law form the basis for civil and/or criminal sanctions to be determined in a proper judicial setting, not through the administrative procedures of the Police Department.

Policy # 316 Attachment

Effective Date 03/01/2023

Policy Name Firearm Qualification – Attachment

Approved Date 02/28/2023

Approved by *Wendell Franklin, Chief of Police*

Previous Date 10/25/2022

PURPOSE OF CHANGE:

Updated to include pistol mounted optics.

POLICY:

The below list of optical sight systems for patrol rifles is not a comprehensive list of acceptable optics. If an officer wishes to purchase an optical sight system that is not on the “Recommended Optics” or “Approved Optics” lists and mount it to a patrol rifle for duty use, the optical sight system must be approved by the Rangemaster prior to deployment.

Optical Sight Systems from the “Approved Optics” list must comply with Policy 316, Procedures G. 3. Equipment, Section b. Paragraph 10., 1x capability. Not all the Optical Sight Systems from the listed manufacturers have that capability.

Any pistol mounted optic must be approved by the Rangemaster prior to deployment on any duty and/or undercover pistol.
